“ *Aunt Norma was my mom's sister. She was 16 years older than I. I remember that she played games with me when I was very young, and in my teen years she helped me with a project by taking pictures of my VW turn signal project, and then she typed the paper for me. In recent years, Marilyn and I have enjoyed visiting Aunt Norma in her home on ONU Homecoming Saturday. Aunt Norma always seemed cheerful and funny, even when times were pretty difficult for her.*

We will miss Aunt Norma, but we believe that she was a friend of Jesus, and we hope to meet her again in Heaven!
