“ I miss you daddy and I love you so much... You were the best dad in the whole wide world. I think you for 36 wonderful years with you. I will never forget all of our talks that we had about everything. I'm so blessed now to have you as one of my Guardian Angels. Have fun in Heaven with Pa... Love your baby girl Lisa

“ I have so many memories of Norman, like the times we would walk down to Johnny's Hot Dog stand in Chicago when he was just a little boy (everyone thought he was so cute with those big brown eyes and that curly hair). The many times we spent together over the years as you were growing up will never be forgotten. You were a wonderful son, always there to take care of our dad and do whatever needed to be done. There was always a smile on your face and never a complaint. Oh and let's not forget you teasing me about my phone, one of these days I will get one of those smart phones like you had. Saying goodbye is hard but we know that God only takes the best. and we will see you again. Love You.

“ I'm gonna miss Norman. During my time of need with my dad, he was always there to keep me updated and show compassion. His kind words helped me along so much. I'll miss hearing Norman say "I'm calling to update you on dad today." He was one of the most caring and compassionate people I've met. Not everyone is as blessed to have known such an amazing person, my little brother. I love you, see ya again someday.

“ My cousin Norman was like a big brother to me. As a young child, I looked up to Norman and always wanted to be with him, right by his side. I am so thankful to have been able to reconnect with him over the last few years and am especially grateful for our time together during my recent visit. I will miss cousin Norman more than I can say. Both Traci and I send our heartfelt condolences and love to the family.
