“ *I'm so glad I got to spend some time with her recently- but I'm very glad that she isn't in pain any longer. As hard as it is to see her go, it was much harder to hear how much pain she was in and trying to help the family find a way to make her more comfortable. In my mind, she will always be my "wild and crazy Aunt Pat" who could never sit still when the music was on. She had a great sense of humor, and I will always remember that.*

I'm so sorry I can't be with you all at this difficult time - but please know that you are in my thoughts and prayers and I am just a phone call away. Love you all,

Ella Marie

Deb, I so fondly remember your mom during our childhood years. Making us lunch, her calling us out of the pool so we could run downstairs to watch Dark Shadows in your basement with her and us sneaking in her dresser drawer occasionally to get a tootsie she hid from you and your brothers. She was a special lady and am very sorry to hear of her passing. Thoughts and prayers to you and your family.

Deb, she was a legend to all of us "kids" back then. I never knew her name. I only knew her as mom. The "mom" who made growing up fun. She was a beauty of a mom and friend to all of us that grew with you through all the ups and downs of teenage life. She made us think, "you can handle it with humor!" An Erma Bombeck, she was! She's in Heaven laughing. "That was one heck of a ride!" Looking out for others in her new journey. Mom and dad are right next to you!
