“ Pat was an incredible role model and loved by all. She always had a smile on her face, which made you feel welcome, and asked questions that let you know she was interested in you. We will miss her warm and caring ways - most especially the way she turned plain old potatoes or rhubarb into the most delicious and love filled treats.

“ I love the memories of Pat in the attendance office. She had a wry smile in the face of much chaos. She was part of my 3 amigos: Pat, Gwen and Joyce. What a group.
