“ *My cousin Patty was the most bubbly person I have ever known. She always had a big smile and quick contagious laugh. I have many happy memories with her and Jim. Our visits were few because of distance but always filled with fun, playing cards and laughter. She loved the beauty of Washington state but we could never convince them to move here. She will be missed but the memories remain. Rob I hope you get a sense of the people that loved your mom and dad and hope their lives touched others in a positive way. Our thoughts are with you and your family. Washington cousin, Andrea*
