“ I haven't been in the family for very long, but in the short time I have, nothing but kind, sweet loving words have I heard to describe her. Just knowing her children in such a small way that I do, I can see what a wonderful influence she has been in their lives.

“ *Heaven gained an angel yesterday. Ever since I met her 51 years ago, I've always seen her loving ways shown to her family & others. She would always put her family & others first in front of her own needs. I loved knowing her; she was so easy to love, I will miss her greatly.*
