“ I remember Paul well as a student at Hammond High in Band. Paul played Trumpet and at first was rather introverted, but quickly changed to his great smile and personality. My deepest condolences to his family. Van Bialon

“ *I lived across the street on Erie. We all did a lot together. We played football, Sega genesis, and looked out for each other. He was a little older than me and Dale. Where some of the better times in my life. He went to Hammond High and was an excellent student. Wish I stayed more in touch. One of the good guys i looked up to when i was younger. Stay strong Dale and Lesa.*

“ There are no words to express how heavy my heart is now for Paul's family. Paul is my nephew, so I have many memories of this sweet little boy celebrating holidays, birthdays and family events together. Many years flew by before I saw Paul again all grown up & being his aunt I regret it took so long for us to see each other again. But I will be forever grateful for two visits with him. One in 2010 then again in 2012. I was thrilled to meet his lovely wife Holly & his boys, Brandon & Mason. I am also very grateful that I was able to tell him how very proud I am of him and the wonderful life he had made for himself and his family. These memories will be forever in my heart. Rest in peace sweet Paul. Until we meet yet again, Love you,
Auntie Kay
