“ *I send my sincere sympathy to Charlene, Marci and family, and Matthew and family as they've had to say good-by to their loved one. I know there are no words that can describe the loss you must be feeling! I became a Meyering the evening before Paul left for the Armed Service. He was Harv's best man at our wedding that night. We promised Paul that he would have a home with us when he returned. After his stint in the Army, he lived with us until he and Charlene were married. He was like a younger brother to me. I have no doubt that his choice has placed him with Christ Jesus! To God be the glory! Blessings to each of you and may you live to see him again! Love, Auntie Faye*

“ *Uncle Paul, I will always remember you as the uncle in our family that had some off the cuff remark that would put us all in stitches. And sometimes it wasn't what you said, but how you said it. I have fond memories of playing at the Victorian you and auntie lived in, in Colo.Sprgs and how Matt, Marci and I would run free and wild around the property. I particularly remember the time we made a museum in the old carriage house and used the old stuff in there to display with. Oh how we had fun. Homemade ice cream on the porch and aunties famous lasagna. All of the old cars you would collect, sell and then collect again! That's the nice thing about memories. They are there forever. When it's my time, I will see you again. Nephew; MG Meyering*

“ Shirley, Matt and Family. We were so terribly sorry to hear of Paul's passing. He was a great guy and a wonderful neighbor. We will miss our conversations with him. May he rest in God's loving arms. And I pray that you will find peace knowing that Paul is in heaven. With love Steve and Jacquie Relli
