“ Paul was a life long good friend. Our paths have crossed many times. Starting at St. Patrick’s High School in 1961. We shared 4 years there and became great friends. We found out that we were both born in St. Mary’s hospital in Streator, IL along with another great friend Bob Wilkerson. Bob and I were born on the same day there. Paul’s’ uncle and my Dad were great friends growing up in Streator also. We stayed together as good friends along with another high school buddy Rich McBarnes for the next 63 years. We were still meeting for breakfast on a regular basis. Paul even worked for me for a number of years as a Safety Manager. He was one of the most honest and trustworthy people that I ever met. Even though he was “grouchy” sometimes.. RIP & God Speed Paul
