“ *Mr. Green,*

I know we haven't seen or spoken in a while. It's been almost ten years since we talked last. And it's been longer still since I was over enough for us to joke around. You were a good man, and helped keep Alex & I out of trouble. You also might have encouraged us to get into some when we where younger. Anyway, thank you for treating me like a part of your family, even if I was a pain in the butt. I hope you are at piece, wherever you are.

Your friend,

Wes
