“ *I went to school with Ray, and it's easy to remember because "no one messed with Ray". He was a good man with great sense of humor. My sympathies to his family.*

I met Ray when I worked at Kankakee Roper back in the 60's. We worked together at Ropers, I helped him with the Lease Way trucks that his dad drove for and Ray helped me and my dad doing carpenter work near Donovan, Il. We became good friends and he was in my wedding back in 1968. We bowled together and had great times. Mary, my wife became good friends with Ray's wife, Jackie and a good time by all when we would get together. Ray was a good man and would help anyone in need. He will be missed and his family was number one to Ray. My sympathies to his family.
