“ *I didn't have the pleasure of knowing Richard very long, but to not know him at all would have been a travesty. He was such a sweet mad who could always put a smile on my face. And, even though he took his steaks well done and smothered them in ketchup, I will surely miss him. We lost a sparkling soul, but I'm sure he will live on in the memories and hearts of so many.*

“ *Richard was a favorite. Such a pure and simple sweetness about him with always a fun smile and big heart of gold. He will truly be missed.*

Herscher and Harvest View have lost a gentle giant. He always made the parties extra fun.
