“ My deepest condolences to Mrs. McHie and family and close friends. My name is Vickie Burlison Francisco. My mother is still living and resides in a nursing home in Clifton,IL (Phyllis Burlison). My father, Olen Burlison, passed away in 2017. My parents were once were good friend with Mr. & Mrs. McHie. Mr. & Mrs. McHie attended my high school graduation ceremony. Mrs. McHie helped my brother, Mark Burlison, get his first and only adult job straight out of high school. When my husband, Vince Francisco, and myself restored a historic home in east Kankakee, Mr. & Mrs. McHie enjoyed watching our progress. There is a lot more to this life time story but I just want to send our sympathies and apologize for not attending services for Mr. McHie. Our one and only son, Micah, at 46 yrs old, passed away last Saturday and we have been trying to make arrangements. Our daughter, and only other child, lives in Houston, TX and one of our grandsons lives in Washington, D.C. serving in the Marines, so it's been a little hectic. I deeply apologize for not attending the visitation or funeral service. You, Mrs. McHie and your family are in our prayers. May God give you strength and peace.

“ Our community lost a really great man with the passing day Richard ‘Dick’ McHie. I first met him and his lovely wife Aline at Indian Lake. Michigan during a Nazarene Camp Meeting. I often referred to him as “Mr. Building” in total acknowledgment and respect for the giant arena in his name at Olivet Nazarene University- he saw the humor in that and clearly knew that I was a friend. I will miss his reassuring manner and wisdom. God surely has added a valued Christian to his family in Heaven!
