

## Ricky L. Drazy

September 4, 1960 - April 6, 2026

Ricky L. Drazy, age 65, of Kankakee passed away Monday, April 6, 2026 at Riverside Medical Center in Kankakee, following a brief illness. He was born September 4, 1960 in Kankakee, the son of Ralph & Rita (Tanner) Drazy.

Ricky married Linda Marek on September 5, 1987 in Deselm.

Ricky dedicated many years of his life working as a detailer at Napleton's, where he was known for his strong work ethic and pride in a job well done.

After retiring, he devoted himself to caring for his beloved wife at home, a role he took on with quiet strength and deep love.

Ricky found joy in the simple things-spending time with his slot cars, working on motorcycles, collecting guns, and listening to blues music. Ricky was also a Petroliana Collector. He cherished reconnecting with old friends and was always ready with a laugh, leaving a lasting impression on everyone who knew him. His smile was as big as his voice, and his presence could light up a room.

Surviving are the love of his life, his wife, Linda Drazy; one sister, Renee (Tom) Christensen; one sister-in-law, Sherry Drazy; one nephew, Joe (Tiffany) Drazy; one niece, Stacey Shreffler; and many great-nieces and great-nephews. Ricky is preceded in death by his parents and one brother, Dick Drazy.

Ricky will be missed more than words can say, but will live on in every story, every laugh, and every memory shared.

To honor his wishes, cremation rites have been accorded. There will not be

any visitation.

Arrangements by Schreffler Funeral Home in Kankakee.

“ *To say I'm heartbroken with Ricks passing is an understatement. I worked with Rick for 16 years and formed a lasting friendship long past when I left Napletons. He loved to pick on me relentlessly and I gave him the nickname of Jackass. He always had the good work gossip and always made time for anyone that stopped by his stall at work. His love for Linda is inspiring. When he could have let others take care of her, he stepped up and retired from his daily job to take care of her. We remained friends and we'd text often. I have caught myself these past few weeks going to text him something I heard or just to check in with him. He will be greatly missed by me and my whole family. Hope you're cruising on two wheels again. Love you Rick.*
