“ *Always enjoyed visiting with her when I came over to visit Dave years ago. I can even remember stopping by with Dave to visit her at Woolsworth while she was working. She would ask about my wife Judy and our daughter Sidra. As I recall, she was the one that gave our daughter a Cabbage Patch Doll for her birthday when they first came out. A lot of fond memories of a very sweet and giving woman. Sorry we missed the service. Sending our condolences to all the family.*
