“ My brother Bob was always my hero. Through good times and bad we remained close even across the miles. His smile could light up any room and his laugh is difficult to forget. He made a wonderful life for himself and his family and will be greatly missed. So until we meet again my brother I love you with all my heart and will always remember the good times we had as kids. Love you so much, Geri

Although we were cousins, We didn't spend a lot of time with him and his family. There were times when we did try to get together and at those times the connection was strong. He was a very friendly man and we send condolences to the family. Roberta Budreau

Condolences from the Wang family, Jim, Bud, Marie, Bette, Bert, and Audrey. We have certainly lost an impressive gentleman and family man we had the great pride to call our cousin. Our family will be making a contribution to the Veterans home mentioned in Bob's name.
