“ *Just saw Robin's obituary this morning. Many years ago, back in the mid-70s I remember Robin from the Kankakee ice arena. He and I would skate together from time to time with another kid named Pat (came from a large family), who I think also passed away in the last few years. I remember Robin as being a fun kid to hang out with. I'm so sorry to hear about his early passing. Well I never kept in touch with him over the past 45 years, I remember him being a great skater and hockey player.*
