“ *We are so sorry for your loss, me and my husband live behind you in the townhomes.. the crazy dog people :) We have been missing your husband in his back yard he took such great care of the yard and was always so patient in getting our dog's balls back to us. I have been so concerned not seeing him for quite a while, just wish it was easier to get to know your neighbors. Please don't hesitate to let us know if you need anything, I will be praying for all of you!!
