“ *I've called her Mrs. Cluney but known her as my grandma. Of all the memories I have of her, one n particular stands out the most. When I was a kid, she had a dog named Chico. I use to think that dog was mean. I don't recall why, but my sister and I had to stay on the couch one day. I think we had gotten in trouble for some reason. If we tried to get down, Mrs. Cluney would send Chico after us to keep us there. Not to be mean, but to keep us at bay. I think she kind of enjoyed the heck out of that. Goodbye Mrs.Cluney.We all love you and we will miss you dearly. May you rest in peace.*
