“ *My Darling Aunt Rose;*

May you rest in the arms of our Lord and fly with angels wings. I will always cherish my childhood memories of you and Uncle John and Ray. I loved going to your house "in the country"! Playing outside in what seemed to be such a huge place. Visiting Uncle John's church and singing for you. You always said I had a beautiful voice and I loved you so for that. I will always remember hunting for my Chicken in a Biscuit crackers when I came to see you. You always had them for me. I loved your hugs and your infectious laugh. I'm sure you received quite the welcome at the pearly gates. Hug everyone for me! I love you! Rest in peace.

Love,

MaDonna and family
