“ *My sympathy to the family. Dave and I use to be part of the cluster of kids walking to and from school. Dave & I use to squabble quite a lot during those walks. I had forgotten about that until I was going back through my memories of the Rainbolt family. My prayers are with you all.*

“ *Ms. Ruby Rainbolt boy oh boy just saying her name is enough to make you wanna cry but this is not what she would want she was ready for the pearly white gates of heaven to receive her she had done her purpose and that was to spread love && light, she made you feel welcomed she was definitely a strong lady who wasn't giving up the fight but God said otherwise he wanted her to no longer suffer God chose her because she was precious and beautiful he loaned her to us and now we have to give her back. Don't hold on to her let her go so that she can receive her wings. Memories last a lifetime think of the good the bad and the ugly and just smile knowing that you were able to share them with her!!!! Fair well my angel!!! Until we meet again. R.I.P Ms. Ruby Rainbolt*
