“ *Irmadel was my best friend and Bible study partner. She and Bob opened their hearts and home to us. She was my angel and we shared birth months. I was searching Google because I have an ornament they gave me for my first tree away from home that hung on her and Bob's first tree together. She is now with her Lord in heaven. My condolences to the family. I would love to be in contact with you all again. Karen Ragsdale fb Karen Schnuell Ruth Red for Michigan.*

“ To the family of Irma I send my love and sympathy. I loved "Mama Bug" so much, she and her whole family were my family too. Her house was always full of smiles, love and music. Heaven is a happier place today, her smile and love lives on in my heart.
