“ *I was employed by both Lowe Seed Co. and the Credit Bureau a total of 15 years as secretary to the Strasmas. I met Wilma in 1955 and worked in her department as help was needed. She was a nice person and we kept in touch for many years after I left to become a full-time Mom to 3 yr. old son in 1970. My deepest sympathy to her family. Shirley Hamende, Fargo N D*
