“ Sandy, you will be missed by your family and friends. We spent a lot of time together in our younger days. I always loved going to your cabin on the river and missed it when Uncle Herb built the new house. I remember sleep-overs, fishing, hunting with the boys and my all time favorite - horseback riding. Your country home was always welcoming to this city boy. Sadly we all grew apart as we aged and got other interests. There isn't a trip down 17 East that I don't think of you, Brian and Ward. Say Hi to Auntie and Uncle Herb. I know they'll be happy to see you. We will miss you. Love, Cousin Rick.

I have so many memories of playing with my cousin, Sandy. We loved spending weekends at each other's homes, especially your cabin on the river! We played Barbies for hours with your amazing barbie doll house. Although our lives went in different directions, I will always cherish my childhood with my cousins! May you be at peace in heaven with Auntie & Uncle Herbie safely with our Lord. Peggy Idstein
