“ *Chuck and Sharron,
I am very sorry to hear of Scott's passing and my prayers are with you and your family. I just learned of his passing when I was checking on old friends while considering making a trip up there for a high school reunion. I have been out of touch for many years due mainly to the type of work I did in engineering in aircraft defense industry. I was advised for many years not to have social media accounts due to security risks. I am now finally retired and still living in Fort Worth, Texas. I appreciated Scott's friendship and spending time with your family on the 1973 Florida vacation.*

God bless you and your family. Scott will certainly live on in our memories.

“ I feel as though I grew up in the Varvel home. Between kindergarten and 6th grade Scott and I were inseparable. I still remember the model airplanes hanging from the ceiling. Scott and I would sit in Chucks sports car in the drive way. Our parents were good friends as well. I don't know of a better family to have been close to. As we grew older we moved away and our paths would seldom cross. Although I never forgot the memories.
 I am very blessed to have known Scott and his family.
 I will keep the Varvels in my prayers.
 Thank You Scott for being my friend.
 Your Friend,
 Randy O'Connor
