“ Sharon opened her home to me for almost a year after only knowing me for 2 weeks. She always got me on a deep level. She was my mom, the one that I could talk to about anything at all without judgement just love and advice. She was the second most influential woman in my life other than my own mother and had a huge impact on who I am as a mother and woman today. I'll miss her tremendously.

“ I loved Sharon like a sister. I spent many times with her and Dale fishing at the river. We had alot of good times and many adventures together. She always kept things interesting because we just never knew what she was going to do next! She will dearly be missed and never be forgotten. Prayers and love to all her family. God has her now so she's in good hands Dale's sister Karen.
