“ So sorry to hear of her passing. I've known her all my life. She was my Mom's Avon lady, out to dinner companion, and good friend of our family. I will miss running into her....

“ Grandma Shirley welcomed me in the family about 33 years ago, when I started dating Darrell. I will always remember how she told him I like her she eats!! She never did like someone who did not eat especially at her dinners. She will be greatly missed !
