“ *She was the nicest lady. I've known her a very long time and she was always so kind to me. She always had a smile on her face and when I would see her she would give me a big hug and have that beautiful smile. She was the kindest, sweetest, and caring lady. We would talk about the Green Bay Packers when she would come into the salon during football season. I am sad to hear of her passing. She is with Bob now riding in their white convertible.*

Deepest sympathy to you Trisha and your family.
Our condolences,
Diane Morrison and family.
