“ *Just wanted the family to know that Shirley was always in my thoughts and prayers. Even though we were not close, I always thought very highly of her and I know she will be greatly missed. I have always wished that we could have had more time to get together. It seemed like we only were able to talk about once every five years. So sad. When I next visit the cemetery, I will stop by for a visit. I know she understands. (Her 3rd cousin, Nelda (Langlois) Ravens -- through our mothers.)*
