“ *Uncle Shirley you will be missed by all of your nieces & nephews maybe Kathy & me most since we saw you & Aunt Sissy all the time plus you tried to take care of Kim as much as you could. You & Aunt Sissy are now together And neither of you are in any pain any more. There was A customer at work today that mentioned he needed his twinkies for his lunch made me think of you then Kathy let me know that you passed  
Thank you for taking care of me after my Mom passed away.  
I Love You Becky*

“ *Uncle Shirley was a quiet but knowledgeable man. As my father would always say about him " if you need to find a problem with your car go to him. He could tell you what is wrong with it in one quick ride just by listening to it ".  
As a nephew, who had little contact with him, but when I did see him he was always a good listener.*
