“ *Oh my dear uncle, Steve...how lucky I am to call you my uncle. I've only come across a handful of men in my lifetime as selfless as you. You lived the gospel of "Luke 6, 30-31" each and every day. You touched SO many lives just being YOU! Our family will forever have a missing link. I will always love you, my Godfather.*

*Your Niece and Goddaughter,
Stacy Kirk*

“ Billy Joel once wrote "Only the good Die Young." Well if that song has any meaning it definitely speaks volumes of you Steve. I will always remember how big of a laugh and smile you carried each and every day. I will remember you as a person who always would give his shirt off his back for others and help them anyway you could. I will also remember how tough of a human being you were and how we shared our love of sports, especially the Chicago White Sox, and you also were a great cook especially when it came to breakfast at Ryan's Pier. How you always did your best to encourage me to be a good human being as I grew older, which to be honest with you was something that was something that I respected you for. You touched the lives of many others, and made us feel better about ourselves when we would see you. For that we will always be very grateful for the time you were in our lives. I now know you are in a better place looking down on all of us, and until we meet again I will miss you very much. May you rest in peace and know you were loved by many.

“ I'll never forgot the we went to stay with cousin Steve! He turned the ball park lights on just for us to play. Or that time in the cab in Chicago or the time he offered to take us all to six flags for the day... mostly his laughter and fun! And really good pizza! RIP cousin Steve! Love you!
