“ *My name is Laurie, I worked for Tammy for several years. She gave me a job when no one else would. I loved and respected her for taking a chance on an elderly woman as myself. Tammy talked on the phone with me while she was at Riverside just 2 days before her untimely passing. I am so very sorry for the loss of such a beautiful Woman. As I recall, the only time off she ever took was to visit her family in the north. She LOVED going to visit them. She also talk about her chicken fed baby dog. She did love her puppy. Tammy was a special Lady. I will miss her forever.*
