“ My condolences to family. I am going to miss her laugh. When we are in our Pre-K classroom. We will sing the alphabet song and the kids love to hear her make the sound like a Elephant. She would make the kids laugh so much. She may be gone but not forgotten.

“ *I have so many memories with my mom but one that stands out is when we were in a cupcake baking contest together at WIU for moms weekend. We thought we were for sure going to win. When we got there, it was obvious that others possibly made cakes/cupcakes for a living. We continued on with our plan & although we didn't win, we had the best time and laughed so hard looking at our cupcakes compared to others :)*
