“ *Terry was easily one of the kindest men I've be known. He was always a gentleman and in his job, always a professional. We got to know each other over the years through Pacesetter and I always enjoyed our visits, whether I was paying for something or buying something new. He will be sorely missed!*

“ Thank you Terry for being that friend that could never speak an ill word of anyone. You always tried to help where and whenever you could. I'm grateful for the care you showed my children and your generosity. You opened your heart and your home to us when you didn't have to. My heart breaks that your gone and Kelly and the kids must find a way forward without you. You have left a void for many, anyone who's meet you is a better person for it.

“ Terry was such a pleasure to work with- his customers always came first. I am in such shock & disbelief. I pray for guidance to his wife & children. Things will never be the same at pacesetter. Thank you for being one amazing man! We will miss you, Terry!!!
