“ Tom was not just my youth football coach with the Eastside Bulldogs, he was a true mentor. He taught me how to play the game with passion and fire! I remember him telling me "This is the only sport you can play, that you can do great bodily harm to somebody, and not go to jail!" LOL!!! I used to knock people out!!! He is a big reason I went on to play high school football, then play college football at The University of Memphis! I still have his fire in my football coaching career and in my everyday life! I mention him all the time to my players and he will live forever in my heart! He will be missed! My prayers go out to the family! He was a great man!
