“ *Years ago - Tim came next door to fix my fence after he said the kids broke a plank. He fixed practically an entire side of my fence. I told him there was no way they'd broke that many planks on my fence. He said that it was alright and he didn't mind. As the years went by - I wasn't at home all the time and away taking care of my Mom. Tim watched my house in my absence and looked out for me. Tim is a thoughtful and kind neighbor and I will truly miss his presence. God bless you.*

“ I worked with Tim at Ra-Co Security years ago, he was a high energy, very intelligent young man, with a great smile. I was very sad to hear of your loss. Sending thoughts and prayers to family and friends during this very difficult time. I know that Tim and Kaleb are now together and walking the streets of heaven together. Rest in Peace Tim.

“ I worked with Tim at MBS. He sat behind me before he left the company and I had the chance to get to know him. He was a nice man who often spoke of his family. He loved his family very much, and I hope that you find comfort in faith that he and his son will be reunited again.
