“ I have always fondly remembered Todd working at St. Marys in our Housekeeping Dept. I was the 2nd shift supervisor and he worked with me. It had to have been right after high school, before he went into the service. Todd was so cute, and funny, with the prettiest eyes, and smile ever! He made me laugh many times. My love, and prayers to Steve and Becky, Norma and her husband and all of their extended families. I am so blessed to have my memories of Todd.

“ Todd was a valuable and very loved member of our March ARB family and will be very missed. He was a very personable and friendly friend and always made my job easier by making our contacts more as a friendly visit then a business contact. I enjoyed knowing that he was going to be due for a badge or decal or whatever was needed because I knew he was going to make my day brighter. I am so sorry for your loss and thank you for sharing him with us.
