“ I miss Vickie very much. We worked closely together almost every day for many years. It's true that she was sarcastic and loved to tease when someone messed up but she was always just as quick to make fun of herself. I am so happy that I got to have lunch with her a few weeks ago. I gave her a big hug and said goodbye. I'm sorry I won't see her again and I'm proud to say she was my friend. To her family I'm so very sorry for your loss. She loved you all so very much.

“ My thoughts and prayers go out to all her family and friends at this very hard time. I've worked with Vickie for the past 16 years. She was always so fun to be around, and was quick to have a smarty comment to send your way. She always called me "George" and ate Lays potato chips regularly in the breakroom room. She will be dearly missed.
