“ *I just wanted to take this opportunity to send my deepest sympathies to the family of Victor Belzek. I was so very sad to hear of his passing. I am a co-worker of his sister Terry and she would talk about him often. She shared pictures of his BEAUTIFUL artwork with me....he was such a talented artist! May your many wonderful and no doubt cherished memories of him comfort you at this time.*

“ *Hanging with Vic at Angies. Always a gleam in his eye and an amused smile on his face. And most times a wise a** comment! Later, my friend.*

I'll miss the late night phone sessions, seeing his drawings on FB, the see if you can stump each other with our jokes, dry humor, just each others way of seeing life from a different perspective. He loved his family the most more than life itself. Rest on my friend things finally got easy for you. See you on the other side, I know you will be waiting to ask me(did you see that) LOL
