“ I was so saddened to learn of the death of my dear cousin, Sue. She and I shared many wonderful times when we were young and growing up. We were very close in age and had lots of fun times together visiting in each others homes. We didn't get to see each other much in our later years but tried to keep in touch as much as possible as the miles separated us. Gene and I are praying for you Ron and each of your family as you face these days ahead.

It was a privilege to work with Sue in MICU. She was a very hard worker and a very caring person. May God Bless her family and friends during this most difficult time.

“ I had the privelege to work ten years with Sue at St. Mary's Hospital in the MICU. Sue was hard working, organized and patients and co-workers alike loved her. I am not at all surprised that she continued to volunteer-giving of herself was her gift. She will be missed by all whose lives she touched. Heaven has gained an angel. My deepest sympathies to the Siedentop family.
