“ Lois and family, John ("John-John") and I are so sorry to hear of Wayne's passing. As I shared with Angela, you both have always been "family" to us. Wayne (and you, Lois) immediately made me feel as if I'd always been a part of your family. Please know that we are praying for you and grieving with you during this time. Tjodie also sends her love and sympathies, and said, "The McQuillins have always been such a huge part of my lifetime memories." Please know you are not alone and you are loved. I can't help but smile when I think of Wayne being greeted by Grandma Jo and Aunt Mary in Heaven. Love you!
Much love,

“ Sometime soon after high school, My dad took me on a weekend run. He knew I was feeling lost and decided to capitalize on the solitude being on the road can bring. We shared stories we'd never told another soul. I met my father that weekend; he met me as a young woman and a friend. -Alli
