“ *I have so many memories of my grandfather "papa" one of the best is when we used to ride around in the car and he'd always sing the same song everytime and eventually get me to sing it too...."have you ever seen Nicky boy go wee wee he wee wee's a beautiful stream can't see Nicholas for a mile an a quarter can't see Nicholas for the stream" it might be weird to others but we always laughed and that's all that mattered to me and him i love you papa took me awhile to put something here may you forever rest in peace and save me a spot in the big house so we can sing together again :)*

“ *One of my first construction inspection assignments was a job where Bill was the foreman. Bill played a key role in constructing a lot of infrastructure in the greater Kankakee area. I enjoyed working with him. My condolences to the family. Jim Piekarczyk, County Engineer (Retired)*
