“ So sorry to hear the news. Being of the class of '68 with Bill in Tuscola, I have many memories of this good friend. Perhaps, at least from the class of 1968, I may have been one of last classmates to have spoken to Bill in April this year and then again when we "texted" in early August. Bill said he might come down to watch an event with me in IOWA but he preferred to be fishing with one of his grandchildren. I am so glad he chose the time with his grandson, I believe.

Bill was an outstanding football player for the Tuscola Warriors and may have been one of the toughest I knew on the field. Seeing him later in Colorado and in Kankakee one time were some good moments. I will miss him. He was a good man and a great American.
